50X1

Handling of Cuban Photography

1. The Chairman called a special meeting on short notice of those agencies principally concerned with the handling of Cuban photography. The problem was to find some method which would provide adequate protection in view of the highest sensitivity of the material and yet be administratively practical. The upshot of this discussion was the preparation of [ ] which the Chairman prepared after the meeting. This paper has been issued by the Acting Chairman of the USIB for consideration Tuesday, November 1.
